“Pennies for Pets” Project Instructions

A “Pennies for Pets” project is a great way for your classroom, school or community group to support the goals and mission of your community animal shelter. The funds collected by the “Pennies for Pets” project are used to support many of the great services we provide to our community’s pets.

What You Will Need:

1. Empty coffee cans or gallon jug with lid
2. Colored paper
3. Tape
4. Colorful markers or crayons
5. Pennies for Pets Label

How to make a “Pennies for Pets” collection jar:

Step One: Cover the empty coffee can with colored paper. Decorate the colored paper with pet drawings and label it “Pennies for Pets”. Attach the Pennies for Pets label somewhere on the collection jar.

Step Two: You first need to explain what the “Pennies for Pets” collection jars are and why you are requesting pennies. Then once a week you can ask family, friends, classmates, and community members if they have any extra pennies they can spare. *You can do extra chores to earn a few coins!*

Step Three: Once your “Pennies for Pets” drive is over remember to contact the Outreach & Education Manager at the Yakima Humane Society at outreach@yakimahumane.org or (509) 457-6854 ext. 106 to schedule a time to present your collection. It may not seem like a lot, but they really do add up!

The staff and volunteers at Yakima Humane Society would like to **THANK YOU** For choosing to support the life-saving work we do. It takes everyone in our community to address the issue of pet overpopulation and pet homelessness.

Remember, every little bit goes a long way!
